General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Soft Market Testing: Housing Management System

Reference number

DN601252

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

This is not an invitation to tender process, and consists of a soft market testing questionnaire. Please note all information provided is indicative and for information purposes only.

Newark & Sherwood District Council (the Council) is undertaking a soft market testing exercise, to allow interested organisations with appropriate experience to outline their views and ideas about the future provision of a cloud-based social housing management system, which will need to support application, tenancy and repairs management functionality.

The Council will consider the responses received as a result of this exercise to help inform the options appraisal and the decision-making process.

Responses should be submitted via ProContract messaging function by 12:00 noon Thursday 14th April 2022; respondents will then potentially be invited to attend a demonstration (if offered) at any point from the date they submit this document.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UKF1 - Derbyshire and Nottinghamshire

II.2.4) Description of the procurement

This is not an invitation to tender process, and consists of a soft market testing questionnaire. Please note all information provided is indicative and for information purposes only.

Newark & Sherwood District Council (the Council) is undertaking a soft market testing exercise, to allow interested organisations with appropriate experience to outline their views and ideas about the future provision of a cloud-based social housing management system, which will need to support application, tenancy and repairs management functionality.

The Council will consider the responses received as a result of this exercise to help inform the options appraisal and the decision-making process.
