## Description

South London and Maudsley NHS Foundation Trust (SLAM) have a requirement for floor and window vinyls promoting the Trusts "Great Place to Work and Care" Programme.

The successful supplier will be required to design and install floor to ceiling wall vinyls and window vinyls, across the Trust estate as part of the Great Place to Work and Care roll out.

The Trust has developed an employer sub-brand for the Trust, Great Place to Work and Care and secured funding to roll out this branding across our physical estate.

We are working with service directors (six directorates) to ask them to identify key sites/ buildings that could benefit from a refresh through the installation of these vinyls. The focus is on reception areas or communal spaces used by staff, patients and visitors.

We are working with Service Directors to identify priority sites for the installations and are looking to maximise the impact within the budget identified. The company will work with key contacts in Communications, Estates and Operations to carry out site visits, agree designs and arrange installation.
