#### **II.1.4) Short description**

We are looking for third party operators to take-on the operational management of each of our 13 Forestry England Camping sites.

We want to work with the operators to invest in facilities and sympathetically evolve the camping offer to help realise the potential of our unique woodland campsites, ensuring that the facilities and product align to our audiences demands, sensitive locations and our own high standards.

Our campsites are immersed in outstanding forests, with recreation facilities which provide an enviable repertoire of activities for our diverse and growing audience, who range from adventure seeking families, to nature and wildlife enthusiasts.

Our campsites are all operational in popular tourist destinations and benefit from a loyal repeat visitor-base. The sites are split over four geographic areas including Wiltshire, Gloucestershire, Nottinghamshire and The New Forest National Park.
