II.1.4) Short description

NHS London Procurement Partnership is establishing a Framework to provide a compliant procurement route for Total Facilities Management Services to the NHS and other public sector organisations. This will cover both fully managed hard and soft FM services along with an option for Total FM (hard and soft FM together). In addition Contracting Authorities can procure standalone cleaning, catering and security services singly or together if they do not wish to pursue the fully managed option or maintain a blend of in-house and out-sourced FM services. The Framework will cover all regions in England - see documentation for details.
