II.1) Scope of the procurement

II.1.1) Title

Powys Integrated Substance Misuse Services

II.1.2) Main CPV code

- 85323000 - Community health services

II.1.3) Type of contract

Services

II.1.4) Short description

Powys County Council (The Council) on behalf of Powys APB is seeking to engage with suitably experienced and competent organisations in the context of increased financial pressures to provide Powys Integrated Substance Misuse Services.

The Service will be delivered within the borders of the county of Powys in Mid Wales.

Tenderers should be aware of the very rural nature of Powys and the challenges that this presents in respect of providing good quality, reliable services.

This is a formal invitation to submit a Tender for a contract for the provision of Integrated Substance Misuse Services in Powys.

The successful tenderer will be required to work in close partnership with the clinical service provider.

The aim is to appoint a single provider or consortium of providers who can deliver services to begin delivery on 1st September 2022 for 3 years with the option to extend for a further 1 year plus 1 year at the Council's discretion.

The services will be delivered under Lot 1 – Adult Integrated Substance Misuse Service, Lot 2 - Young Persons Integrated Substance Misuse Service, as a single provider or consortium.

For the purpose of this tender, Tenderers may wish to form a consortium with providers and submit bids for Lots 1 & 2. Bidders are required to bid for both lots. Any bids received for single Lots will be deemed to be non-compliant and rejected.

The Council intends to let the contract under Regulations 74 to 77 of the Public Contract Regulations 2015 Light Touch Regime. The Council is awarding a contract, which allows flexibility while complying with Treaty principles of transparency and equal treatment of providers.

II.1.5) Estimated total value

Value excluding VAT: £3,163,050

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots
