Description

This Framework Agreement provides a managed reusable waste container service for clinical waste and medical sharps at NHS sites.

This includes:

- 1) provision of different sized reusable sharps and clinical waste containers covering waste segregation categories under HTM07-01;
- 2) associated container accessories;
- 3) a container delivery, removal, waste disposal, cleaning and reprocessing service, and
- 4) customer support including training, site audits and provision of management data

associated with all aspects the service provision.

For the avoidance of doubt, this Framework does not cover the provision for Single Use Sharps and Clinical Waste Containers. Precise quantities are unknown. The Framework has a maximum 4-year contract period. It is estimated to be worth £11,185,799 over this 4-year duration.

It is anticipated that initial expenditure will be in the region of £2,410,213 in the first year of this Framework Agreement, however this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the Framework Agreement. The estimated value over the initial 2-year term of Framework Agreement will be in the region of £5,061,447. There will be an option to extend the Framework for up to a further 2 years. If the full extension period is utilised, then the total value of the Framework across the 4 years is estimated to be £11,185,799.

Framework operation description

This Framework Agreement establishes a mechanism for the supply of Reusable Clinical and Sharps Waste Management solutions to NHS organisations and other eligible authorities. The Framework operates under the following principles:

Route of Supply:

This is a Direct Route of Supply.

This involves NHS organisations and other eligible authorities ordering directly with the supplier, quoting the Framework Unique Reference Number (URN) and associated product codes.

Operational Requirements:

Awarded Suppliers must maintain compliance to ISO 23907-2: 2019.

Awarded Suppliers must also maintain compliance to ISO 9001: 2015 and/or ISO 13485: 2016 and/or Medical Device Single Audit Program (MDSAP) which are accredited by the United Kingdom Accreditation Service or international equivalent.

Healthcare waste must be segregated into several colours as per HTM07-01.

Social Value and Sustainability:

Awarded Suppliers are required to maintain a Carbon Reduction Plan.

Awarded Suppliers are required to maintain an up to date Evergreen Sustainable Supplier Assessment.

Awarded Suppliers are required to maintain Modern Slavery compliance which is monitored via the MSAT tool.

Performance and Governance:

Regular review meetings will be held to monitor performance, including but not limited to complaints and remedial actions. This Framework includes the rights for termination for convenience, material breach, as well as escalation and dispute resolution processes.
