II.1.4) Short description

NHS North East Essex Clinical Commissioning Group and Essex County Council ('the Commissioners') have sought to commission an integrated community service model that supports the vision and aims of the North East Essex Health and Wellbeing (NEE H&W) Alliance. Commissioners have set a bold and challenging goal to create multi-agency/multi-disciplinary teams in North East Essex who are empowered and supported to deliver the NEE H&W Alliance Live Well outcomes. North East Essex Integrated Community Services needs to underpin these plans, delivering a transformation of community services that seeks meaningful integration with acute, primary care networks, primary care, mental health, voluntary sector services and other NEE H&W Alliance partners to support the achievement of the strategic vision for everyone in NEE to live well. Commissioners have decided that working with an alliance of providers will be the best solution to provide affordable, sustainable and fully Integrated services and awarded the contract for the delivery of these integrated services in the form of an NHS Standard Contract in line with award notice 2021/S 000-004765 dated 9 March 2021. The Commissioners seek to make a change to this award notice as described in this corrigendum.
