The purpose of the open framework is to support the Council's statutory duty to provide temporary accommodation to vulnerable households under the housing Act 1996, the Homelessness Act 2002 and the Homeless Reduction Act 2017. The council does recognise that due to demand, properties may be acquired out of City. We would expect the properties are no more than an hour's journey time away from the City Centre using public transport.

The open framework will be established on the following property types: One Bedroom, Two Bedrooms, Three Bedrooms, Four Bedrooms, Five Bedrooms, Six Bedrooms. All

accommodation must meet the most current health and safety standards relevant to the accommodation type.

Call-off contracts awarded under the framework are anticipated to be for a period of 10 years and 1 day under a lease arrangement for that period for each property or a period of 2 years with the option to extend for 4 further periods of 2 years under a license arrangement for each property.

The Council reserves the right to award contracts on the above basis at their discretion. It is anticipated that the majority of call-off contracts will be awarded under a 10 year and 1 day lease arrangement.

Successful providers and landlords supplying property under a lease arrangement will be required to follow the Land Registry lease registration process.
