II.1.4) Short description

Echelon Consultancy are supporting Watford Community Housing (WCH) who are seeking expressions of interest from suitably skilled and experienced Suppliers to deliver Repairs and Empty Homes works across this framework which will operate for a period of four years.

Lots are separated by region and value, with nine geographical regions (including a national region) and two value bands within each region. There is an intentional overlap between the two value bands, allowing Authorised Users the flexibility to be able to call off from either lot

The framework will be open to all UK public sector bodies (and others as detailed in the procurement documents) to access via an Access Agreement between WCH, the Supplier and Pretium Frameworks Ltd, who WCH has appointed to administer the framework on their behalf.

Full details of the scope and requirements of the Framework and the procurement process, including how to tender are included within the procurement and the tender documents.

II.1.5) Estimated total value

II.2.4) Description of the procurement

Work under this lot will cover all aspects of work in relation to Repairs and Empty Homes up to £5m in London. The option to include component replacements is also included.

The intent of this framework is to provide Authorised Users with a fully flexible service, that can be completely adapted to suit their requirements and includes a full up front scoping service and flexible IT support as required.

Additional services can also be included such as Call Centre provision.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 6

Maximum number: 12

Objective criteria for choosing the limited number of candidates:

The actual number of candidates for each lot will be based on the anticipated lot value, but will be between 6 and 12, as detailed in the procurement documents

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

Where works have a value that falls within the overlap between the upper and lower value band for each geographical region, e.g., lot 1a and 1b, the Authorised user has the option to procure through either lot (i.e., to invite Framework Suppliers from either lot 1a or lot 1b)

For all lots, where there is insufficient interest to an expression of interest for any potential call off, the Authorised User reserves the right to approach Framework Suppliers on the

adjacent lot. For example, if an expression of interest is placed under lot 1a, and there is insufficient interest expressed by Framework Suppliers in that lot, the Authorised User can then access lot 2a as an alternative. The definition of 'insufficient interest' will vary by Authorised User but will generally be defined as a minimum of three Suppliers expressing an interest for a mini-competition.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Lots 1a, 2a, 3a, 4a, 5a, 6a, 7a, 8a and 9a are envisaged to be for SME Contractors

Suppliers can only bid for lots within the same value band.

E.g., a Supplier could bid for Lots 1a, 3a, 5a and 6a. A Supplier is not able to bid for 1a, 3b, 4b and 7a

Please refer to the Lot Bidding Form provided within the tender pack for additional information relating to Lot bidding criteria.

II.2.3) Place of performance

NUTS codes

- UKF - East Midlands (England)
- UK - United Kingdom

II.2.4) Description of the procurement

Work under this lot will cover all aspects of work in relation to Repairs and Empty Homes up to £5m in the East Midlands. The option to include component replacements is also included.

The intent of this framework is to provide Authorised Users with a fully flexible service, that can be completely adapted to suit their requirements and includes a full up front scoping service and flexible IT support as required.

Additional services can also be included such as Call Centre provision.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £60,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 6

Maximum number: 12

Objective criteria for choosing the limited number of candidates:

The actual number of candidates for each lot will be based on the anticipated lot value, but will be between 6 and 12, as detailed in the procurement documents

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

Where works have a value that falls within the overlap between the upper and lower value band for each geographical region, e.g., lot 1a and 1b, the Authorised user has the option to procure through either lot (i.e., to invite Framework Suppliers from either lot 1a or lot 1b)

For all lots, where there is insufficient interest to an expression of interest for any potential call off, the Authorised User reserves the right to approach Framework Suppliers on the adjacent lot. For example, if an expression of interest is placed under lot 1a, and there is insufficient interest expressed by Framework Suppliers in that lot, the Authorised User can then access lot 2a as an alternative. The definition of 'insufficient interest' will vary by

Authorised User but will generally be defined as a minimum of three Suppliers expressing an interest for a mini-competition.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Lots 1a, 2a, 3a, 4a, 5a, 6a, 7a, 8a and 9a are envisaged to be for SME Contractors

Suppliers can only bid for lots within the same value band.

E.g., a Supplier could bid for Lots 1a, 3a, 5a and 6a. A Supplier is not able to bid for 1a, 3b, 4b and 7a

Please refer to the Lot Bidding Form provided within the tender pack for additional information relating to Lot bidding criteria.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

Where works have a value that falls within the overlap between the upper and lower value

band for each geographical region, e.g., lot 1a and 1b, the Authorised user has the option to procure through either lot (i.e., to invite Framework Suppliers from either lot 1a or lot 1b)

For all lots, where there is insufficient interest to an expression of interest for any potential call off, the Authorised User reserves the right to approach Framework Suppliers on the adjacent lot. For example, if an expression of interest is placed under lot 1a, and there is insufficient interest expressed by Framework Suppliers in that lot, the Authorised User can then access lot 2a as an alternative. The definition of 'insufficient interest' will vary by Authorised User but will generally be defined as a minimum of three Suppliers expressing an interest for a mini-competition.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

VI.3) Additional information

The Contracting Authority reserves the right to cancel the procurement and not to proceed with all or any part of the Framework at any stage of the procurement process.

The Contracting Authority also reserves the right not to award the Framework.

Neither the Contracting Authority nor any person on whose behalf of whom this procurement is undertaken is to be liable for any costs incurred by those expressing an interest or Tendering for this Framework.

The Contracting Authority considers that this contract may be suitable for economic operators that are Small or Medium Enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

The framework is to operate across the UK and will be open to all UK public sector bodies to access via an access Agreement between Watford Community Housing (WCH), the supplier and Pretium Frameworks Ltd, who WCH has appointed to administer the framework on its behalf. The framework will comprise of 18 lots as specified in the procurement and tender documents.

It should be noted that lots 9a and 9b are National lots.

The framework will be open to but not limited to any "Authorised User", which is defined as follows:

- any entity within the same group of companies as WCH from time to time (a "WCH member");
- any entity or joint venture company that WCH or any other WCH member holds an interest in from time to time (a "WCH JV");
- any social housing provider in the United Kingdom (excluding WCH, WCH members and WCH JVS);
- any supply chain member of any social housing provider in the United Kingdom, including direct labour organisations and suppliers (excluding WCH, WCH members and

WCH JVS);

- any national, regional or local health authority in the United Kingdom including, without limitation, any NHS group, and any organisation providing a service to these bodies;
- any local or regional authority in the United Kingdom (including any arms length organisation or service provider working on their behalf) delivering any public or private sector construction related projects including, without limitation, housing, education, highways and infrastructure work;
- any other "Contracting Authority" in the UK as defined in the Public Contracts Regulations 2015; and
- any service provider delivering services to any other Government Agency in the United Kingdom including, without limitation, the Ministry of Defence and the Highways Agency.

In addition, it should be noted that neither Devonshires, Pretium or Echelon shall be responsible for any changes made to the documents without the approval or engagement of the authors of the relevant documents at or prior to call off stage.

The framework is for a period of four years, but Authorised users should note that Contracts called off under the framework can themselves extend beyond the expiry of the original framework.
