A full and detailed specification of requirements is provided within Attachment 06b of the document suite and can be downloaded from the additional documentation area with the PCS-T portal.

The Council has a requirement to undertake resurfacing / reconstruction and minor repair works to the existing road network and car parks within the North Lanarkshire Council geographical boundary. The procurement is driven by the requirement to extend the life of the road network, typically through the process of resurfacing / reconstruction and minor repair works. The Works will include, but not limited to, items such as:

Implementation, maintenance and removal of traffic management;

Cold milling;

Resurfacing;

Raising or lowering of ironwork;

Renewal of ironwork;

Drainage works;

Road markings;

Patching;

Kerbing;

Excavation; and

Minor repairs

The works are required in order to ensure that the current road condition does not deteriorate as shown by the road condition index, which is measured on an annual basis.

The Framework Agreement conditions of contract are NEC3 Framework Contract April 2013 with individual Package Orders being issued under the NEC3 Engineering and Construction Short Contract April 2013. Further information can be found in Attachment 06a Framework Agreement and Call-Off Conditions.

Award of this Framework Agreement shall be on the basis of MEAT; the evaluation of a combination of Contractors prices submitted against a pre-priced Schedule of Rates and quality questions. A maximum number of 8 Contractors shall be appointed to this Framework Agreement. The anticipated upper limit of spend to be potentially routed through this Framework Agreement circa 20000000 GBP. Call offs shall be made in compliance with Attachment 07 Call off Procedure. Note, the contract value is an estimate and that there is no guarantee of any specific volume of business arising under the Framework Agreement.
