General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Marble Arch Mound

Reference number

P941

II.1.2) Main CPV code

- 79952000 - Event services

II.1.3) Type of contract

Services

II.1.4) Short description

Marble Arch Mound (MAM or the Mound) is a proposal for the temporary installation of a viewing platform, landscaping, pathway and staircase, and other associated works, at Marble Arch for a period of six months.

Permission has been sought for the erection of visitor attraction which will comprise of an elevated walkway with a viewing platform providing views along Oxford Street, Edgware Road, Hyde Park and over Marble Arch. The structure will be landscaped with grass (both real and artificial), trees and planting to resemble a grass-covered hill on its southern, western, and eastern sides.

Planning Permission has not yet been granted. A decision is expected in the coming weeks and should the application be refused, the Authority reserves the right to withdraw from the Tender Process at any time.

The structure will be created from scaffolding broadly rectangular in footprint. The scaffolding will create a hill profile. A walkway will be provided up the hill which will connect to a top viewing platform, the Summit. The top of the viewing platform is 22.5 m in height. The hill is served by a lift. The top of the lift overrun is 25.5m in height. The viewing platform will be 66m² enclosed by a 2.4m barrier and will offer 360 degree views. The planting on the top, east, south and west elevations will use trays with plants and an irrigation system. The north elevation will be open scaffolding.

The Authority is seeking tenders from suitably qualified firms to operate the Mound on its

behalf. The Operator will be required to provide management and coordination of the visitor experience, stewarding, security, and daily cleaning (hygiene) services.

In order to deliver on the aspiration of having the Mound completed and ready to welcome visitors by early July, the Authority has committed to a Design & Build contract. This will effectively deliver a 'turn-key' attraction ready for an Operator.

II.1.5) Estimated total value

Value excluding VAT: £825,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes
