Materials Marketing Contract

Reference number

0919

II.1.2) Main CPV code

- 90500000 - Refuse and waste related services

II.1.3) Type of contract

Services

II.1.4) Short description

ECC is seeking to award a contract for the provision of materials marketing services. The successful contractor will be required to broker waste collected from across the Authorities network of recycling centres and other collection points. The contractor will be required to deliver the most economical outcome for treatment and disposal of material.

II.1.5) Estimated total value

Value excluding VAT: £12,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKH - East of England

II.2.4) Description of the procurement

ECC is the Waste Disposal Authority for Essex and is responsible for the management of circa 700,000 tonnes of varying types of household waste per annum. The Authority operates a network of 21 Recycling Centres for Household Waste and works with our 12 district and borough councils that make up the Waste Collection Authorities across Essex. This contract is being procured to ensure that collected material is disposed of through the most economically advantageous outlets.

The successful contractor will broker materials on ECC's behalf to obtain optimum value. The contractor will ensure that material is moved up the waste hierarchy to maximise reuse, recycling and recovery, whilst ensuring that end destinations remain compliant with relevant legislation.

The contractor may be required to broker waste collected at additional collection points as required.

The contract is for a duration of 3 years with an option to extend the term for up to a further 3 years if agreed by the Authority and otherwise provided for in the contract.

Full details of the requirements of this tender can be found in the ITT pack.

II.2.5) Award criteria

Quality criterion - Name: Technical Ability / Weighting: 55

Quality criterion - Name: Social Value / Weighting: 5

Price - Weighting: 40

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

Up to an additional 36 months contract extension, exercisable at the Authority's discretion and in such increments as the Authority deems necessary or as otherwise provided for in the contract

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

Mandatory to complete all sections of the SSQ - failure to pass any pass/fail questions will result in immediate rejection of the bid.

A Maximum of 3 bidders will be invited to submit a full tender. Bidders will be scored based on responses to SSQ, the top three scoring bidders will be invited to submit a tender in stage 2.

This procurement is being undertaken through a competitive procedure with negotiation, however, ECC reserves the right to award based on initial tender submissions where they satisfy the contract requirements.

Suppliers are advised that ECC is subject to the Freedom of Information Act 2000 & the Environmental Information Regulations 2004. Full information can be found in the downloadable Bidders Guidance

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation
