Award

## **Wi-Fi Support and Maintenance for Elizabeth Line, London Overground and Docklands Light Railway**

Transport for London

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-006480

Procurement identifier (OCID): ocids-h6vhtk-05df2a ([view related notices](#))

Published 26 January 2026, 10:26am

### **Scope**

### **Reference**

ICT15291

### **Description**

Transport for London (TfL) intends to directly award a contract to Icomera UK Ltd (Icomera) (Icomera Contract) for the support and maintenance of proprietary Wi-Fi infrastructure installed on the Elizabeth Line (EL), London Overground (LO), and Docklands Light Railway (DLR) fleet.

The WiFi infrastructure (Wi-Fi Infrastructure) originally procured and installed by the train manufacturer on the EL, LO and DLR is an infrastructure provided by Icomera. The Wi-Fi Infrastructure is propriety to Icomera.

Following the installation of the Wi-Fi Infrastructure by the train manufacturer the on-going support, maintenance and service management of the Wi-Fi Infrastructure is the responsibility of TfL (Wi-Fi Support Services). Based on this and the fact the Wi-Fi Infrastructure is propriety to Icomera, TfL require Icomera to provide Wi-Fi Support

Services.

Therefore, TfL requires a contract to be in place with Icomera to ensure the on-going provision of the Wi-Fi Support Services.
