II.2.4) Description of the procurement

This procurement process is a joint call for competition to establish a qualification system by Severn Trent Water Limited ("STW") and Hafren Dyfrdwy Cyfyngedig ("HD") pursuant to the Utilities Contracts Regulations 2016 ("UCR 2016").

STW and HD wish to establish a qualification system for the purpose of sourcing replacing Customer Water Supply Pipes (the "Qualification System"). The purpose of this Invitation to Qualify ("ITQ") is to assist participants to qualify onto the Qualification System. Successful participants will then be eligible to receive Request for Proposals ("RFP") for their qualified categories under the Qualification System.

The Qualification System will be split into the following Categories:-

Category 1

Public Side works including, but not limited to:

Public side works excavation to mains

Public side backfill and reinstatement

Meter and Boundary Box Installation

Backfill and reinstatement of public side

Connection of new service pipe to water mains and testing

Category 2

Private side works including, but not limited to:

Inspection of property, detection of lead pipe and design of new service pipe installation

Private works External - excavation and installation of new service pipe using suitable

technologies

Private side backfill and reinstatement

Private works Internal plumbing

Category 3

Temporary traffic management and planning, scheduling, despatch and coordination of activities

II.2.8) Duration of the qualification system

Start date

9 April 2022

End date

31 March 2025
