The Authority has a requirement to award a Contract for the Provision of Programmable Logic Controllers. Purchase and delivery of Programmable Logic Controller Hardware equipment to create 8 x trainee stations and 1 x instructor station. Requirement includes the provision of associated software that will be used to drive instructional equipment situated in classrooms at HMS Sultan.

Specification of the item (s) required can be found in the "Statement of Requirement" which has been uploaded with the Invitation to Tender document attached to this Opportunity.

In order to participate in this tender event, suppliers must register for an account with the Defence Sourcing Portal (DSP). Suppliers must complete a Suitability Assessment Questionnaire (SAQ) and submit a tender response by no later than the date and time

stated on this notice.

This is a one-step Supplier Assessment/Tender process, failure to submit an ITT response by the close date even if you complete an on-line SAQ will render your interest non-compliant.

If you fail to meet the minimum standards listed in the SAQ or do not complete an SAQ you will be discounted from the process and your tender response will not be reviewed.

Tender responses will be evaluated in accordance with the process as detailed in the ITT. A copy of the ITT has been attached to this notice for suppliers to view.

Please note the Contract Award dates are estimates and may vary.

VI.4) Procedures for review

VI.4.1) Review body

Ministry of Defence
