II.1.4) Short description

Contract awarded by Greater Manchester Health & Social Care Partnership. Orthodontics is a dental specialty concerned with facial growth, development of the dentition and occlusion, and the assessment, diagnosis, interception and treatment of malocclusions and facial irregularities. Each course of treatment can take approximately 2 years or more dependent on complexity to complete with appointments every 5 to 8 weeks during this time for continued assessment. Following the treatment, a removable brace or retainer may be fitted depending on the advice from the Orthodontist. This service is delivered across all the 10 localities within Greater Manchester to children from approximately the age of 12 to 18 years old after most of their adult teeth have started to come through and who require orthodontic service and referred by their General Dental Practitioner.

A Single Tender Action has been enacted for, as a result of extreme urgency following COVID-19 pressures.

The Contracting Authority intends to undertake market engagement in early Spring 2021 to help inform the future commissioning of services.

Section IV. Procedure

IV.1) Description

IV.1.1) Form of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

This contract award is required due to the COVID-19 Pandemic and subsequent impact upon operational delivery and business operations. The current pandemic and events were not expected or foreseen by the Contracting Authority. Attempts to mitigate risks identified in advance of procurement were undertaken. There was an urgent need to enact this STA as current contracts come to an end on 31 March 2021 and there was a need to ensure services are maintained for the patients' needs.

Future procurement processes will be advertised via Find a Tender and Contracts Finder.
