- Set the conditions under which Appointed Providers will operate and provide services

The purpose of the tender is to create a pool of recruitment providers who will be available to provide recruitment services upon request from NHSPS. Once the Appointed Providers are contracted with NHSPS, they will be approached to provide services based on the regions they operate in and functions they can cover.

30 Providers will be awarded a contract. This opportunity comes under three main categories: Facilities Management (Soft and Hard), Corporate, and Executive Search. NHSPS intends to award a set number of contracts under each category. The breakdown of available contracts under each category is as follow:

Facilities Management - 10

Executive Search - 2
