II.2.4) Description of the procurement

A women's mental health service for women who need a safe and secure women only environment and which will provide safe, non-threatening and supportive women-only spaces.

- The Service will promote recovery, social inclusion and self-determination, decrease social isolation and assist where appropriate in the journey into employment, voluntary work, work experience and further education. The service will be ageless and Dementia friendly.
- The Service will be provided for women by women and will actively involve local women in decision making about the Service, in co-producing the outcomes and design of the day-to-day provision of the Service and in its overall management.

The principal aims of the Service will be to:

- Promote, protect and improve the mental health, physical and emotional well-being of women so that women can be empowered to live their lives to the full
- Focus on peer support and self-advocacy
- Ensure that its service response has an appropriate focus on older women who have mental health issues and women with Dementia
- Work alongside women and carers in accessing appropriate support, both to reduce distress but also to maximise personal development and fulfilment
- Optimise opportunities for joint working, where co-existing needs/additional vulnerabilities are more likely (e.g. Alcohol intervention, domestic violence, offender management)
- Provide services which are available and accessible to women experiencing mental ill-health throughout the Kirklees district, including those who may be part of Syrian resettlement schemes for refugees.
