II.1.4) Short description

Minor oral surgery involves the assessment, diagnosis, and management of conditions affecting the mouth and jaws that require surgical intervention. In primary care, dental practitioners typically perform simple extractions, while most oral surgery occurs within general dental practices. However, some cases are too complex for general practice yet not sufficiently complex for hospital treatment. These cases are managed through Level 2 Minor Oral Surgery (MOS) services within primary care.

Providers will be awarded a Personal Dental Activity (PDA) contract for a term of one year plus an additional one year extension. The contract will start on 1 April 2026 and end on 31 March 2027.

Remuneration: This is a cost and volume service. Providers will be required to invoice the SNEE ICB Dental Team monthly for any work undertaken. This service will also be subject to an annual uplift.

NHS Suffolk and North East Essex Integrated Care Board are awarding the contract named within this notice under the Direct Award C process which is outlined within the Health Care Services (Provider Selection Regime) Regulations 2023. The provider named in this notice is an existing provider and has been reviewed through a Key Criteria assessment to ensure the awarding body is satisfied with current performance and reasonably expects the provider to be able to satisfy the contract which is the subject of this notice. The contract which is the subject of this notice has not changed considerably when compared with the existing / previous contract delivered by the named provider.

The ICB may wish to introduce additional services during the lifetime of the contract ("Contract modifications"). Such contract modifications will be contemplated where

additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority as named in the Contract Notice. To this end, after the award of contract, there is a possibility that the contract may be varied as allowable in accordance with the Health Care Services (Provider Selection Regime) Regulations 2023.
