LHC London and South East (LSE)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

These two awards have accordingly been published on Find a Tender Service and Sell2Wales.

This new Framework replaces our successful Whole House Framework (WH2). The Refurbishment and Modernisation Framework will provide our clients with access to a range of refurbishment, improvement and modernisation services to maintain their buildings and surrounding external areas.

The framework builds on the scope of LHC's Whole House Framework and extends the scope to allow for works to be carried out in both residential and non-residential buildings.

This Framework consists of the following workstreams:

- Kitchens & Bathrooms with Associated Works
- Electrical Works
- Painting & Decorating
- Environmental & External Works

LHC Procurement Group Limited is a not for profit central purchasing body acting on behalf of contracting authorities throughout Scotland, England and Wales (including partners of the Scottish Procurement Alliance, Welsh Procurement Alliance and South West Procurement Alliance) for whom we continue to monitor up to 500 live projects at any one time. Thanks to their ongoing and collective feedback and input into the development of this framework and given the reach and scale of their collective portfolios, the framework is both designed and anticipated to support the vast majority of requirements. Consequently, other contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework.

As of the date of publication of this notice our frameworks may be used by all contracting authorities in Scotland as defined by the Public Contracts (Scotland) Regulations 2015 and as listed on:

[https:// www.scottishprocurement.scot/who-we-work-with/](https://www.scottishprocurement.scot/who-we-work-with/)
