Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between £1,200,000 and £3,200,000

II.1.5) Short description of the contract or purchase(s)

Babcock Land Defence Limited acting as agent to the UK Ministry of Defence ("the Authority") has under consideration a 4 year Framework Agreement (with 3 x 1 year options) for The Calibration, Repair & Maintenance of Aircraft Component Test Equipment, in service in the UK Ministry of Defence (MoD). These include but are not limited to Articles categorised within the NSN list at section II.2.1.

Babcock Land Defence Ltd reserve the right to add further items of a similar nature to the contract post award.

The successful contractor(s) will be required to calibrate/overhaul/repair Articles to OEM specifications with an accompanying Certificate of Calibration and/or Certificate of Conformance detailing results of any applicable output tests. The successful contractor(s) will be required to supply all spares/components necessary to undertake the repair process. The resultant contract will include provision for on-site in unit support for urgent repairs. In addition there will be a requirement for storage of repaired and calibrated equipment for issue to units, support of technical documentation for user units and ongoing preventative maintenance as required.

The detail of articles for calibration, quantity, calibration frequency, and location will be provided within the ITT documentation.

Drawings and/or associated specifications are not available to issue as art of any eventual tender.

Babcock Land Defence Ltd intends to award a single supplier framework agreement for the items detailed within this notice.

To respond to this opportunity suppliers must read through this notice and complete the associated Pre-Qualification Questionnaire (PQQ). The PQQ shall be assessed using the selection criteria given within the PQQ and within each question. It is the intention of the Authority to down select and Invite to Tender only those economic operators who successfully complete the PQQ, provide all mandatory information and are not subject to any mandatory exclusion.

Cyber Risk Assessment Number: RAR-574615037

Cyber Risk Profile: Very Low
