II.2.3) Place of performance

NUTS codes

- UKE11 - Kingston upon Hull, City of

Main site or place of performance

Hull

II.2.4) Description of the procurement

Hull City Council is looking for a provider to deliver all requirements of the 0-19 Healthy Child Programme (HCP) and up to 25 where the young person has SEND; and deliver universal and targeted interventions in partnership with key service areas and stakeholders to assist with the delivery of wider public health and social care outcomes.

The provider will deliver the Health Visiting, Enhanced Parenting Pathway, School Nursing up to 19 and up to 25 years of age where the young person has SEND. The provider will be pro-active in delivering both innovative and evidence based solutions to overcome current and future obstacles to improved health and wellbeing outcomes for children, young people and families. This includes (but is not limited to);

- Strong partnership working across the system
- Early identification of child development issues and interventions to ensure children are school ready
- Ensuring the health and wellbeing needs of the most vulnerable children, young people and families are met

The provider will be expected to work in partnership with many local services, including:

- Midwifery
- Early Help Services
- Targeted services working with the most vulnerable children, young people and families
- Early Years teams and providers
- Primary and secondary care services
- Youth Service
- Schools, pupil referral units, colleges and training providers
- Voluntary and community sector

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £30,560,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

The contract will have up to 2 further 12 month options to extend, which would take the maximum duration to 5 years should the maximum extension options be exercised.

II.2.11) Information about options

Options: Yes

Description of options

The contract will have up to 2 further 12 month options to extend, which would take the maximum duration to 5 years should the maximum extension options be exercised.

II.2.14) Additional information

Only those suppliers who pass the Selection Questionnaire stage will be invited to tender for this Lot. The Selection Questionnaire will include a small number of project specific questions which will have a threshold score of 3 for each question.

Where suppliers have been invited to tender (ITT) stage for this Lot and initial tenders have not been accepted a recourse to staged procedure to gradually reduce the number of tenders to be negotiated will be implemented. A threshold score of 3 will also apply to the quality assessment questions at the ITT stage.

II.2.3) Place of performance

NUTS codes

- UKE11 - Kingston upon Hull, City of

Main site or place of performance

Hull

II.2.4) Description of the procurement

Hull City Council requires a provider to deliver Oral health promotion services to improve the oral health of children and vulnerable adults:

- Providing oral health training to professionals working with families who have children aged 0-5 years of age and vulnerable adults
- Take the lead for the local referral pathway into dental practices
- Increased use of fluoride
- Effective daily oral hygiene
- Reducing the frequency of sugar consumption
- Seeking regular dental care
- Oral health awareness campaigns
- Smoking cessation awareness campaigns

The focus of the oral health promotion service is children and families, however, the service will also include some targeted work with vulnerable adults:

- Adults in residential care homes
- Children, young people and adults with a learning disability
- Homeless population

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value
