Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

A process is currently being carried out to cleanse the account for Industrial Gases, this is required to enable an OJEU tender to take place.

There are a quantity of cylinders which need to be investigated to establish if these are still required or if these can be off hire or need to be written off. Without this information the tender process would be hindered and the information given in the tender would be inaccurate. Following this process a tender will be launched in due course.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
