## **Scope**

### **Description**

Business Energy Audits will provide assessments of the current baseline emissions profile of businesses in York and North

Yorkshire. The audits will consider the fabric efficiency of the building, energy and water usage as well as operational

emissions, where applicable. Alongside the audits, businesses will be provided with recommendations and advice on how

to improve energy use and reduce emissions based on the baseline audit results. The audits will support businesses from

across the York and North Yorkshire region.
