II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The C- 17 Delivery Team, part of the UK Ministry of Defence (MOD) (the Authority), has a requirement for in-service support, maintenance services, periodical inspections, minor repairs, base overhaul and installation of replacement sub-assemblies in relation to the UK C-17 Life Raft capability. The Authority intends to award a new contract to renew the exiting provision for the period: 1 September 2022 to 31st March 2027 (with options to extend by an additional 5 (five) years) at an approximate value of £0.399m (Inclusive of VAT) to Safran Aerosystems Services UK Limited (Safran UK).

It is considered that this contract can be placed on a single source basis (below UK Defence and Security Public Contracts Regulations 2011 (DSPCR 2011) threshold) without prior publication of a contract notice. Safran UK are the sole European based licensee of the C-17 life rafts and the proprietary original equipment manufacturer. Accordingly, Safran UK is the only economic operator, which has the required technical knowledge, know-how and experience to undertake and discharge the contractor's obligations to maintain, inspect, repair and overhaul the safety critical C-17 Life Rafts.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
