Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Lot 3 – North Wales

Contract Value:

Contract Notice (ref: 2020/S 224-552010) stipulated a total contract value of 3,300,000.00 GBP, however the Contract Award Notice did not account for extension period, therefore should have stated a total contract value of 3,305,356.00 GBP.

Modification to Lot 3 contract value 929,640 GBP

Contract Duration:

The duration of the contract was for 12 months (01 April 2021 – 31 March 2022) with the option to extend for a further 12 months (01 April 2022 – 31 March 2023). This extension period was utilised. A further extension period of 3 months is required to complete the re-tender. Contract will expire 30 June 2023.

Modified Contract Value:

Including 12 month extension and additional 3 month extension

Lot 3: 1,043,217.00 (GBP)

Total Contract Value: 2,621,948.00 GBP

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The renewal for the Emergency Department Well Being and Home Safe Service is currently out to tender and is due to close on 13 March 2023, and will be awarded during the three (3) month modification extension period.

Since the tender has been live there have been clarifications which has resulted in a longer clarification period and an extension to the closing date for tender submissions which was unforeseen.

The extension meets the criteria of regulation 72(1)(c):

- (i) the extension is due to longer unforeseen clarifications required on the renewal.
- (ii) the requested three (3) month extension period does not alter the nature of the contract as services will remain the same, and
- (iii) the increase does not exceed 50% of the value of the original contract agreement.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £3,305,356

Total contract value after the modifications

Value excluding VAT: £2,621,948
