## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The modification will facilitate the continuation of the existing managed service

arrangements, functionality changes to effectively meet schools' requirements, overcome delays due to Covid-19 lockdowns, facilitate procurement and permit transition to a new contract. The anticipated modification increase equates to GBP 73 000 000. The overall new modified contract value is GBP 513 000 000.

No aspect of the modification will alter the overall nature of the current contract as the scope of services will remain unaltered and any expenditure will not be permitted to exceed 50% of the value of the original contract agreement, this will be carefully monitored to ensure compliance.

Regulation 72(1)(b) permits an amendment to an existing contract: for additional works, services or supplies by the original contractor that have become necessary and were not included in the initial procurement, where a change of contractor -

(i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement; or

(ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority, provided that any increase in price does not exceed 50% of the value of the original contract.
