II.2.4) Description of the procurement

Slough Borough Council (SBC) is seeking providers with recent and relevant housing-related support service to provide a move-on support service to households that fall into one or more of the following three target groups: • Households that have been in Temporary Accommodation for a number of years • Larger Households (accommodating more than 5 people), and • Single Households The aim of the pilot service is to develop and demonstrate an effective pathway out of Temporary Accommodation by supporting people into their own independent accommodation. This in turn is expected to provide cost efficiencies to the TA budget, and importantly, improve health and wellbeing outcomes to current residents by assessing their non-housing support need and referring into appropriate support. We wish to invite interested providers to a Market Engagement event to present more information about the pilot and our expectation of the service. Procurement colleagues will be on hand to advise of the new procurement regulation requirements. This Market Engagement Day will be by invitation only. Please register your request to attend by emailing Diana.Balsom@slough.gov.uk with • Move-On Support for Households living in Temporary Accommodation • in the subject line. We require your email address so that we may invite you
