II.1.4) Short description

Anchor is England's biggest provider of housing to older people. With 1,700 locations and approximately 60,000 customers, our Property team deliver Responsive Repairs and Planned Works across all our locations in England.

Anchor are looking to develop a Partnership with an Organisation in the North East of England to deliver our Planned Works and Responsive Repairs in the Region. We are looking at new, alternative and innovative delivery models for our 176 locations in the area. Our presence in the North East covers approximately 5,800 dwellings/beds across 176 locations. Details of the geographical locations are provided in the attached file.

The scope of works covers approximately 15,000-20,000 repairs per annum across our North East Locations equating to around £2.6m. Our Planned Works programme in the North East has historically been in the region of £3-4m per annum.

II.1.5) Estimated total value

Value excluding VAT: £61,000,000

II.1.6) Information about lots

This contract is divided into lots: No

Anchor wish to consider a variety of innovative approaches in delivering it's Partnership Contract and, as such, would like to invite Contractors with suitable experience in planned works, responsive repairs and voids to our Market Engagement day. Contractors are requested to register their interest at

<https://anchorhanover.waxlive.com/S2C/Bespoke/AnchorHanover/AnchorHanoverRegistration.aspx> where more information will be provided regularly.

Registration is now open for our market engagement day on 22nd March. Register your attendance at <https://forms.office.com/e/iR8ePg6umv>

A further online session which will cover both the North East Partnership and Anchor's Responsive Repairs and Planned Works Regional Contracts will be held on 28th March. Registration for the online event on the 28th will open shortly, please check our e-sourcing portal for details. Please note this session will cover both Contracting approaches - for the North East Partnership and Regional Contracts. There will not be an opportunity for a 1-2-1 meeting at the online event.

II.2.14) Additional information

A further online session which will cover both the North East Partnership and Anchor's Responsive Repairs and Planned Works Regional Contracts will be held on 28th March. Registration will open shortly, check our e-sourcing portal for details. . There will not be an opportunity for a 1-2-1 meeting at the online event.

II.3) Estimated date of publication of contract notice

14 April 2023
