Northern Powergrid are dedicated to delivering a network and energy system that serves our region, in a safe, efficient and economic way and supports enabling decarbonisation for our customers and stakeholders. As such we are committed to the use of flexibility solutions instead of or to defer network reinforcement solutions wherever appropriate.

We are dedicated to enabling a local market for Flexibility Services by creating a level playing field for all flexibility service providers and supporting competition with network solutions by promoting fair competition and demonstrating decision-making transparency.

As part of our commitment to roll out our customer flexibility strategy, our next step is to invite you to participate in Northern Powergrid's Dynamic Purchasing System (DPS) for Customer Flexibility Services.
