### **II.2.4) Description of the procurement**

The Council is seeking qualified contractors to provide repair and maintenance services for landfill gas and leachate management infrastructure at six closed landfill sites. This contract will ensure continued compliance with environmental regulations and the effective operation of critical control systems.

The scope of work includes, but is not limited to:

.

-Inspection, servicing and repair of landfill gas ground combustion systems, gas extraction wells, pipework and associated infrastructure

-Maintenance of leachate collection and pumping systems

-Preventive and reactive maintenance to address blockages, leaks or mechanical failures--Regular monitoring, testing and reporting to ensure system efficiency and compliance with regulatory standards.

.-Emergency response capability for system failures or environmental incidents.

.

Interested contractors must demonstrate relevant expertise and experience in landfill gas and leachate system maintenance. Compliance with health, safety and environmental regulations is essential

The Framework comprises of a Core Contract for Preventative Maintenance and then a Non-Core element for Unplanned / Emergencies

Taking into account the Core and potential Non-core activity the Framework Value is expected to be in the Region of £260,000 for the total potential duration of 4 years.

Full details, are available at <https://uk.eu-supply.com/login.asp?B=YORTENDER>, which is the link to the (Merrell Eu-Supply) YORTender tender portal site. The specific ref for this event is YORTender Ref 68316.

#### **VI.4.2) Body responsible for mediation procedures**

High Court

Royal Courts of Justice, The Strand

London

WC2A 2LL

Country

United Kingdom

**VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for lodging appeals: The Contracting Authority will incorporate a minimum 10 calendar day standstill period at the point information on the award of the Contract is communicated to tenderers. Applicants who are unsuccessful shall be informed by the Contracting Authority as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, the Public Contracts Regulations 2015 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order the Contracting Authority to amend any document and may award damages. If the Contract has been entered into, the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order the Contracting Authority to pay a fine, and/or order that the duration of the Contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.

**VI.4.4) Service from which information about the review procedure may be obtained**

High Court

The Royal Courts of Justice, The Strand,

London
