Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Children with specialist palliative care needs require an individual package of care in a planned, co-ordinated, timely and flexible manner as directed by need. The Health Boards require additional services to act as an adjunct to those which they deliver as part of core services in order to support planned and emergency respite and end of life care based with Ty Hafan, a specialist children's Hospice provider. The service will support children, young people and their families and provide a palliative care experience within the community and home where necessary.
