Section II: Object

II.1) Scope of the procurement

II.1.1) Title

STC1177 - Provision of Specialist Lift Consultancy Services

Reference number

STC1177

II.1.2) Main CPV code

- 71621000 - Technical analysis or consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

The Corporate Officer of the House of Lords and the Corporate Officer of the House of Commons acting jointly (the 'Authority') are inviting expressions of interest from suitably qualified organisations wishing to enter into a contract for the provision of specialist lift consultancy services. The appointed Consultant will support the Parliamentary Design Authority in its role as custodian of the lift engineering infrastructure on the Parliamentary Estate to review and update technical standards and a long-term strategy for lift modernisation. More specifically, the appointed Consultant shall be required to deliver specialist services which will include independent advisory support, to ensure the viability and quality of designs, as well as project support relating to refurbishment and maintenance programmes. The contract shall be let based on the NEC4 Professional Services Short Contract.

II.1.5) Estimated total value

Value excluding VAT: £500,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71621000 - Technical analysis or consultancy services
- 42416100 - Lifts
- 71310000 - Consultative engineering and construction services
- 71321000 - Engineering design services for mechanical and electrical installations for buildings
- 71530000 - Construction consultancy services

II.2.3) Place of performance

NUTS codes

- UKI32 - Westminster

Main site or place of performance

Westminster

II.2.4) Description of the procurement

A non-exhaustive list of the services required to be delivered under the contract are summarised below:

- Produce lift technical design briefs and design requirements for the Authority's Lift projects, as well as work collaboratively with Lift delivery teams and prioritise the works on health and safety and business continuity objectives (as set out within the procurement documents).
- Review and develop existing lift modernisation scope documents.
- Produce feasibility studies to RIBA Stage 1 or equivalent, technical standards and engineering specifications.
- Provide a technical design review of the proposals from Lift Delivery teams and monitor their work – this shall also include undertaking site inspections and witnessing.
- Review lift traffic analysis from previous studies and project consultants and where necessary undertake new traffic analysis and propose optimum lift design strategy for the population and use patterns of the Parliamentary Estate.
- Carry out whole of life costing with the view of ensuring that value for money is achieved by taking a holistic approach to design the lifts in relation to each other, traffic flow, building occupants, logistics, fire evacuation strategy, access control and security strategy, environment and sustainability, heritage and conservation and user priorities.
- Undertake annual audits of the Authority's Planned Preventative and Reactive Maintenance Contractor's performance.

The appointed Consultant's staff shall have completed EOR/202 'Working Safely in an engineering environment – basic lift safety', as required by BS7255 Safe Working on Lifts. The Authority reserves its position as to whether it will (or will not) enter into contractual arrangements. Subsequently, the publication of the procurement documents in no way commits the Authority to enter into any contractual relationship with the Tenderers or any other party. The Authority reserves the right to:- cancel, postpone, suspend or abort the selection and evaluation process at any stage of this procurement in its entirety;- vary the project timetable or procurement

process, including without limitation, to introduce further submission requirements; and-amend, vary or digress from the process set out in the procurement documents. In the event of any change to the process, the Authority will inform all Tenderers of the change. The Authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The information and/or documents for this opportunity are available on <https://in-tendhost.co.uk/parliamentuk.aspx/Home> Interested organisations must register on this site to respond. The use of the In-tend e-tendering portal is compulsory and will be the main means of communication and exchange of documents between the Authority and prospective Tenderers, although the Authority reserves the right at its sole discretion to communicate and/or exchange documents by other means.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £500,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

Yes

Description of renewals

The contract shall be let for an initial term of thirty-six (36) months with an option to extend post expiry of the initial term for any period or periods of up to two (2) years in twelve (12) or twenty-four (24) month blocks, such extension to be exercised at the Authority's discretion.

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.3) Additional information

The procurement documents shall be made available subject to the return of a duly signed Non-Disclosure Agreement (NDA) template, which can be accessed at <https://in-tendhost.co.uk/parliamentuk.aspx/Home> and submitted using the Correspondence tab on the In-Tend portal. The deadline for submitting the completed NDA template is 16:00 on

Friday 8th March 2024. The Authority will aim to execute the signed NDAs and share the full tender pack with Tenderers within two (2) working days of submission of the NDA via the Correspondence tab of the In-Tend portal <https://in-tendhost.co.uk/parliamentuk.aspx/Home>

VI.4) Procedures for review

VI.4.1) Review body

The High Court of Justice

The Strand

London

WC2A 2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Authority will operate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers to provide time for unsuccessful tenderers to challenge the award decision before the contract is entered into. Unsuccessful tenderers shall be notified by the Authority as soon as possible after the decision is made as to the reasons why they were unsuccessful. The Public Contracts Regulations 2015 provide that aggrieved parties who have been harmed, or are at risk of harm, by breach of the rules are to take action in the High Court (England, Wales and Northern Ireland).
