VI.3) Additional information

Bidders should seek independent legal and commercial advice in relation to the potential value of the opportunity. Ordnance Survey is carrying out this procurement under the open procedure pursuant to the Public Contracts Regulations 2015 (as amended). In accordance with Regulation 50 (Contract award notices); Regulation 86 (Notices of decisions to award a contract or conclude a framework agreement); Regulation 87 (Standstill period) and Regulations 91 to 102 of the Public Contracts Regulations 2015 (as amended). Following any decision to award the contract Ordnance Survey will be providing debriefing information to unsuccessful bidders (in accordance with Regulation 86) and observe a minimum 10-day standstill period (in accordance with Regulation 87) before the contract is entered into. Expressions of interest applications must be by way of completion and return of the selection questionnaire (SQ) and ITT i(n accordance with the requirements set out in the ITT by the time limit in section IV.2.2) above). Bidders should note that the procurement documents (including the contract documentation) are draft documents at this stage, providing indicative information of OS's intended approach in the procurement process and are for general information only. Ordnance Survey reserves the right to vary, amend and update any aspects of the procurement documents and final details and versions of the procurement documents will be confirmed to applicants successful in being selected to participate in the relevant tender stages of the procurement procedure. Ordnance Survey reserves the right not to award the opportunity or to award only part (or a different arrangement) of the opportunity described in this contract notice.
