II.2.4) Description of the procurement

Network Rail Training is looking to promote and facilitate the sale of services and facilities to the benefit of external companies and individuals, through the use of pertinent web based technologies, allowing prospective candidates to identify, book a specific course instance and pay (in advance) or via invoice for chargeable goods and services offered by NR Training. The system should be capable of integration with existing NR Technology and provide suitable analytical capabilities.

For further information relating to Network Rails requirements please review the document – “External Sales Solution RFI” via the instructions below,

1. Follow the link - <https://networkrail.bravosolution.co.uk/web/login.html>
2. From the welcome screen, access the “View Current Opportunities” link and select “project_28288 - #21056 - External Trading”
3. Click on the attachment – ““External Sales Solution RFI Submission Template”

Purpose of RFI:

The purpose of this RFI is to engage with the supply base and request information relating to the existing Occupation Health solutions available in the market, specifically this RFI will look to address the following areas

- Identify the existing solutions available in the market
- Identify the functionality and capabilities of the software services available in the market
- Identify indicative costs of the software solutions available in the market
- Identify any additional capabilities that Network Rail may have not considered
- Ensure suppliers who are interested in any potential future tender activity relating to this requirement are aware of the procurement platform that will be used, and provide them with the steps to complete qualification to this platform (should they not have already done so)

Please note that any content received via response to this RFI will be used purely for information purposes only and will not be deemed as forming part of any proposed bid now, or any potential future tender.

Should you wish to respond to this RFI please complete the attached document titled "External Sales Solution – RFI Submission Template", this can be accessed via the link and instructions below.

1. Follow the link - <https://networkrail.bravosolution.co.uk/web/login.html>
2. From the welcome screen, access the "View Current Opportunities" link and select "project_28288 - #21056 - External Trading".
3. Click on the attachment – "External Sales Solution– RFI Submission Template"

Once completed please send your submission document via email as attachment to alex.jerome@networkrail.co.uk with the email subject " External Sales Solution RFI". The response deadline for this RFI is the 23rd April 2021 at 5pm.

Any questions or clarifications in respect of this RFI should be addressed to alex.jerome@networkrail.co.uk.

II.3) Estimated date of publication of contract notice

31 May 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

Please note any discussions which do occur will cease immediately should a formal competition ultimately be announced. Network Rail is committed to ensuring fairness, openness and transparency, and to following EU procurement regulations. The Periodic Indicative Notice is issued solely for the purpose of conducting pre-procurement market engagement via a request for information and does not constitute any commitment to undertake any procurement in the future. Interested parties will not be prejudiced by any response or failure to respond to the PIN event and a response to this PIN does not guarantee any invitation to participate in this event or any future procurement.

This PIN does not constitute a call for competition to procure any services, supplies or works mentioned in this PIN and Network Rail will not accept any proposals offered in response to this PIN. Network Rail is not liable for any costs, fees, or expenses incurred by any party in replying to or attending any PIN event. Any procurement of any services, supplies or works by Network Rail will be carried out strictly in accordance with the provisions of the Utilities Contracts Regulations 2016.
