Scope

Reference

OPEN2026148

Description

The Council are inviting suppliers to participate in preliminary engagement to gain insight from the market with the purpose of making any potential future exercise, well framed, feasible, focused and of likely interest to the market.

This preliminary market engagement questionnaire is to gauge the scope of interest from potential providers, based in the North East Combined Authority region.

DurhamLearn, supporting the NECA Local Growth Plan, aims to invest in skills, improve access to employment and reduce the digital divide. "By unlocking the potential of our people through increased skills, better and more employment, and improved health

outcomes, we can increase productivity and help drive the UK's Growth Mission."

DurhamLearn will focus on:

- A range of non-accredited programmes to help those furthest from the labour market
- Accredited qualifications
- Short intensive employer led courses, allowing skills specific training into work

The questionnaire focuses on the following key areas.

- developing the authority's requirements and approach to the procurement
- identifying providers that may be able to supply the services required.

The benefits to your organisation in participating in this process include:

- the chance to assess whether the opportunity will be suitable and of interest to you
- the chance to attract new training organisations

There is no commercial advantage or disadvantage to your organisation being involved in this exercise.
