Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

It is considered that this Contract can be awarded using the Negotiated Procedure without prior publication of a Contract notice due to technical reasons (Regulation 32(2)(b)(ii)). This is because the Contractor, as the OEM of CoMPASS, is the only entity which has the necessary technical information relating to the design of the COMPASS to be able to safely perform this requirement. Further, the Contractor owns the Intellectual Property Rights in the software operated by the CoMPASS and has not licensed other entities to modify that software, nor does the Authority have any rights to the source code or to modify the software.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

A contract/lot is awarded: Yes
