Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

LPS CAS - A601(M) Maintenance Project

Reference number

LCC13038 (Oracle Fusion Negotiation reference)

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The Works substantially consist of repairs to Higher North Road bridge whilst carrying out various works for the purpose of revoking the motorway status of the A601(M) via conversion into a dual carriageway with a 50mph speed limit. This will involve replacing hard shoulders where necessary with grass verges and laying a new asphalt overlay to the road surface together with new lines and road studs. Changes to signage and some improvements to drainage and landscaping will also be incorporated.

The full scope of the project is contained at ITT Appendix 11 and the associated contractual documents. If tendering, please ensure that you read all documentation in the preparation of your Tender and should you have any queries on the content of the documentation, please raise a clarification request in the manner described in the ITT Instructions & Guidance document at paragraph 2.7 and within the timescales outlined within paragraph 3.1.

II.1.5) Estimated total value

Value excluding VAT: £4,600,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45221119 - Bridge renewal construction work
- 45233141 - Road-maintenance works

II.2.3) Place of performance

NUTS codes

- UKD4 - Lancashire

Main site or place of performance

A601(M) , Carnforth

II.2.4) Description of the procurement

The Works substantially consist of repairs to Higher North Road bridge whilst carrying out various works for the purpose of revoking the motorway status of the A601(M) via conversion into a dual carriageway with a 50mph speed limit. This will involve replacing hard shoulders where necessary with grass verges and laying a new asphalt overlay to the road surface together with new lines and road studs. Changes to signage and some improvements to drainage and landscaping will also be incorporated.

The full scope of the project is contained at ITT Appendix 11 and the associated contractual documents. If tendering, please ensure that you read all documentation in the preparation of your Tender and should you have any queries on the content of the documentation, please raise a clarification request in the manner described in the ITT Instructions & Guidance document at paragraph 2.7 and within the timescales outlined within paragraph 3.1.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £4,600,000
