#### II.1.4) Short description

Insights Discovery helps people understand themselves and their colleagues so they can have more respectful, productive and positive working relationships. Participants complete an online assessment to produces a profile which details their preferences around a number of areas, including management of information and communication with others. The profile is used widely across the Trust to support the following outcomes:

- Individuals understand their own and others' communication preferences
- They can connect better with their colleagues to improve collaboration
- They have a common language to help them overcome challenges and conflict

The aim of this process is to ensure we have a trusted source for the provision of the Insights profiles, as well as any related supporting materials in accordance with Trust requirements for best value.
