Scope

Description

Shropshire Fire and Rescue Service (SFRS) seek to procure an integrated Audio-Visual (AV) and control room display system for the new Control Room and Incident Room located at Telford Central. The system is required to support 24/7 mission-critical operational environments, deliver enhanced situational awareness, enable multi-source visualisation, and ensure resilience during major and protracted incidents.

This procurement ensures an open, fair, and transparent process while reflecting the extensive pre-market engagement and site assessments already undertaken.
