II.2.4) Description of the procurement

Historic Environment Scotland (HES) intends to award this contract under the conditions of regulation 33.4.b(ii) of the Public Contracts (Scotland) regulations. The Contract will include provision for the upgrade of existing digital scanning equipment used within the National Collection of Aerial Photography (NCAP).

The scope of the upgrades provided will include, but not be limited to:

- replacement of scanners' internal industrial computers
- associated software licence
- replacement cameras
- new glass platens

II.2.11) Information about options

Options: Yes

Description of options

The Contracting Authority reserves the right to request additional deliveries by the Successful Tenderer, either intended as partial replacement of supplies or installations or as extensions of existing supplies and installations. The Contracting Authority may at it's sole discretion exercise this option.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

HES intends to award to the Supplier on the basis that competition is absent for technical reasons. Given the nature of the hardware and associated installation services described in II.2.4 of this notice, the necessary parts and installation service, along with the associated software licence required to upgrade the existing equipment, can only be provided by the Supplier.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

Contract No
