II.1.4) Short description

The University of Southampton is one of the UK's leading research institutions and is in the top 1 per cent of universities worldwide. There are currently in excess of 22,000 students on campus in the UK. Using conventional business metrics, the University is a large enterprise with an annual turnover of £500m and a staff establishment in excess of 5,000 FTE. Through world-leading research and enterprise activities, the University of Southampton connects with businesses to create real-world solutions to global issues. Through its educational offering, it works with partners around the globe to offer a world-class education. This connectivity is key to Southampton's offering and market presence. The University is seeking suitably experienced and qualified tenderers to fulfil its requirements for inspections, equipment servicing, maintenance and training. The University's fall protection systems are located at the University of Southampton's campuses, Halls of Residence and other nearby satellite sites where Estates and Facilities are responsible for the maintenance of buildings.
