Section IV. Procedure

IV.1) Description

IV.1.1) Form of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Following the end of the NSV contract with Matrix Healthcare Services UK Ltd in July 2019 South Tyneside CCG put in place a procurement process to be able to continue an NSV service for our residents.

An initial (February 2020) and subsequent (May 2021) procurement resulted in no bids being received.

As a result of the above options the incumbent provider was approached to determine whether they would be willing to accept a long-term contract to deliver this service. This was declined by the Provider.

Following lack of interest from potential providers South Tyneside CCG initiated direct discussions with a provider who was already delivering this service within the region. This has created a viable option for service provision and to the decision to award the above contract.
