Fax

+44 1419515761

Country

United Kingdom

NUTS code

UKM81 - East Dunbartonshire, West Dunbartonshire and Helensburgh & Lomond

Internet address(es)

Main address

<http://www.nhsgoldenjubilee.co.uk/home/>

Buyer's address

https://www.publiccontractsscotland.gov.uk/search/Search_AuthProfile.aspx?ID=AA00199

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Robotic Bronchoscopy System

II.1.2) Main CPV code

- 33000000 - Medical equipments, pharmaceuticals and personal care products

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Golden Jubilee National Hospital intend to purchase a robotic - assisted surgical

system together with maintenance and consumables.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £4,961,505

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM81 - East Dunbartonshire, West Dunbartonshire and Helensburgh & Lomond

II.2.4) Description of the procurement

The National Waiting Times Centre Board intends to enter into a contract with Intuitive Surgical as being the only option meeting our

requirement. In accordance with our interpretation of the Public Contracts Regulations 2015 the services can only be provided by the

particular provider for technical reasons and competition is therefore absent for technical reasons due to the unique essential requirements

of the equipment require, namely Intuitive Surgical is currently the only manufacturer of commercially available robotic-assisted surgical

systems offering robotic four-arm multi-port technology and a suite of fully wristed 8mm instrumentation, wristed advanced energy and

stapling instruments, fluorescence imaging, integrated table motion and skills simulation, on a single platform, capable of performing

minimally invasive surgical procedures.

Due to the above functionality the system seamlessly translates the surgeons hand, wrist and finger movements of the master controls into

precise real time movements of the wristed instrument that are designed with seven degrees of motion - a range of motions even greater

than the human wrist, The vision is equipped with a high definition 3D endoscope and image processing equipment that provides to true to

life images of the patients anatomy. A view of the operating field is available to the entire operating room team on a large viewing monitor.

The wide angled screen provides the surgical assistant at the patients side with a broad perspective and visualisation of the procedure whilst

the surgeon operates seated at a console with the master controls viewing a high definition 3D image inside the patients body.

The Intuitive Surgical Da Vinci Systems remains the most ubiquitous robot designed to facilitate complex minimally invasive surgery

across multiple specialities and multiple body compartments. The Intuitive Surgical Robot Da Vinci has been the subject of in excess of

7000 peer review publications and studies with a wealth of regulatory approvals covering a wide spectrum of surgical procedures much

greater than alternatives with lesser functionality available on the market. No other commercially available surgical robot facilitates

multidisciplinary applications planned for the Golden Jubilee National Hospital

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

See earlier Section. At this point in time The National Waiting Times Centre Board (Golden Jubilee National Hospital) are satisfied that

there are no other medical robots available that can provide the surgical requirements of our consultants and patients.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

Contract No

VEAT25001

A contract/lot is awarded: Yes

V.2) Award of contract/concession

V.2.1) Date of conclusion of the contract

21 February 2025

V.2.2) Information about tenders

The contract has been awarded to a group of economic operators: No

V.2.3) Name and address of the contractor/concessionaire

Intuitive Surgical Limited

The Schrodinger Building Oxford Science Park, Heatley Rd

Oxford

Oxford OX4 4GE

Telephone

+44 41218212066

Country

United Kingdom

NUTS code

- UKZZZ - Extra-Regio NUTS 3

The contractor/concessionaire is an SME

No

V.2.4) Information on value of contract/lot/concession (excluding VAT)

Initial estimated total value of the contract/lot/concession: £4,961,505

Total value of the contract/lot/concession: £4,961,505

Section VI. Complementary information

VI.3) Additional information

(SC Ref:791377)

VI.4) Procedures for review

VI.4.1) Review body

The Dumbarton Sheriff Court

Dumbarton

G82 1QR

Country

United Kingdom
