Procurement identifier (OCID): ocds-h6vhtk-054770 ([view related notices](#))

Published 27 January 2026, 9:04am

### **Scope**

### **Reference**

100182

### **Description**

North East and North Lincolnshire currently operates a 'Framework Agreement' for Street Lighting Term Maintenance Services. This current agreement expires 31 October 2025 and seeking to establish a new Framework Agreement with a suitably qualified and experienced Supplier for " Street Lighting Term Maintenance" services and other related works. These services would only be required to be provided within the geographic boundaries of North Lincolnshire (NL) and North East Lincolnshire(NEL).

## **Commercial tool**

Establishes a framework

---

## **Lot 1. North East Lincolnshire Council**

### **Description**

The Works consist of the installation and maintenance of street and car park lighting, illuminated signs and bollards along with the installation and maintenance of seasonal illuminations and other works as required across the borough in North East Lincolnshire (NEL).

These comprise of approximately 22 898 Illuminated Units for NEL (these figures are indicative and subject to change)

- 20,416 Lighting Columns
- 2482 Signs and Bollards
- 482 Lighting Columns - Lincolnshire Housing Partnership

The Supplier will be required to provide:

General Maintenance:

Repair of outages to street lights, footpath lights, car park lighting, illuminated traffic signs and bollards, Bulk lamp change, cleaning and maintenance of illuminated traffic signs and bollards and undertake any other programmed maintenance.

Additional Maintenance:

Minor improvement works and electrical safety testing;

Provision and removal of temporary advance works signs and sign plates for pending Highways schemes.

Seasonal Illuminations:

Provision, installation, removal and maintenance of both Summer and Christmas Illuminations and assistance with official switch-on occasions.

Road Safety:

Provision of services associated with the installation, maintenance and re-location of Speed Activated signs and Driver Feed Back Signs.

Emergency attendance, in the event of unsafe occurrences.

Night time scouting and reporting of defective/non-lit equipment.

The Supplier may also be required to support during the contract:

Capital Works Schemes

Renew defective road lighting columns and improvements to public lighting, Improve/renew road lighting in conjunction with major highway maintenance schemes.

Section 38 and 278 Works

Provision of services associated with the installation of Road Lighting equipment related to works required by developers.

---

### **Signed contract documents**

[Redacted - J MCCANN CO LIMITED - Lot 1 and Lot 2 NEC4 Framework Agreement v2\\_Redacted.pdf](#)

Cost and methodology details have been redacted because they have been assessed as commercially sensitive, under Section 43(2) of the Freedom of Information Act 2000 and Clause 94 of the Procurement Act 2023. Disclosure could prejudice the provider's commercial interests by exposing pricing, operational strategy, and intellectual property, risking unfair advantage or affecting future tenders. In accordance with the public interest test, it has been determined that the public benefit of disclosing this information does not outweigh the potential harm to the provider's legitimate commercial interests. The signature blocks have been redacted from this contract in accordance with Section 94 of the Procurement Act 2023 and the UK General Data Protection Regulation (UK GDPR). This is because they constitute personal data. This prevents identity fraud and unauthorised use. The public interest does not override the need to protect individuals' privacy; this decision follows ICO guidance.
