The procurement is to set up a multi supplier "pseudo DPS" (referred to as "PDPS"). As the PDPS Agreement will be "pseudo PDPS", it will look and feel similar to a DPS agreement set up under Regulation 34 of the PCR. This means that the Authority envisages the PDPS will re-open at (12) twelve-month intervals (or at other intervals at the Authority's discretion) for new providers to apply or previously unsuccessful providers to re-apply. Reopening of the PDPS is solely at the discretion of the Authority.

The Procurement is being run using a procedure similar to the open procedure described in Regulation 27 of the Public Contracts Regulations 2015 (as amended). However, the Authority reserves the right to deviate from the formalities of the open procedure given the flexibilities permitted by Regulation 76 of the Public Contracts Regulations 2015 (as amended) in the conduct of procurements for "Social and Other Specific Services", otherwise referred to as "Light Touch Regime" procurement
