Description

NRW is intending to award a framework agreement to contractors that can carry out a range of maintenance activities at its Hydrometric sites situated across Wales. This is for both planned and reactive maintenance work. All work within the area stated will be defined by separate plans and schedules, dependant on the type of work required. The work can generally be sub-divided into four main categories:

1. In river gravel management– Seasonal between April and October, as and when required
2. Planned Seasonal Grass Cutting between April and October
3. Eel Pass Maintenance - Planned Seasonal between April and October

4. Asset and Site Maintenance Requirements – As and when required

Contractors must be able to carry out all aspects of this work.

The purpose of the requirement is to provide NRW Hydrometry and Telemetry teams with the resource to manage the general maintenance programme of works at the Hydrometric sites across Wales.

Commercial tool

Establishes a framework

Total value (estimated)

- £1,400,000 excluding VAT

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

This is a 2 stage process:

Stage 1: Invitation to participate - commenced with the issuing of this tender notice. The Tender Pack includes a Wales Procurement Specific Questionnaire (WPSQ) which all Suppliers who wish to take part in this procurement procedure are required to complete and return in accordance with the Procurement Timetable and instructions within this document. Stage 1 documents can be found on the etender Wales portal <https://etenderwales.ukp.app.jaggaer.com/web/login.shtml> under project_61309 and associated pqq_33823. The assessment of these responses will identify up to 4 Suppliers per lot to be invited to participate in Stage 2.

Stage 2 : Invitation to submit a final tender

Stage 1 will complete with Suppliers being notified in writing of whether or not they have been successfully shortlisted to participate in Stage 2. Suppliers not invited to Stage 2 will be provided with a written explanation of the reasons why they have not been shortlisted

to participate in Stage 2. Stage 2 will include a mandatory site visit to example job sites (one in North Wales one in South Wales).

Justification for not publishing a preliminary market engagement notice

Requirement and approach unchanged from previous procurement

Documents

Documents to be provided after the tender notice
