Registered Charity

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Risk management for deployed personnel

Reference number

BC/02855

II.1.2) Main CPV code

- 48730000 - Security software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

The British Council is looking for Risk Management System for Deployed Personnel, The selected system will assist the British Council in fulfilling its duty of care obligations to its staff and its strategic objectives. It should have both preventative and reactive capabilities, combining mass communications and a more targeted facility during incident and crisis management (i.e. assisting in the preservation of life, maintaining operational delivery, protecting assets and upholding the British Council's reputation). The system will ensure that relevant staff can be informed of an on-going incident in good time, and given appropriate directions as required, that all staff can be quickly accounted for at any time, that they can confirm their 'safe/in-need-of-assistance status at the touch of a button, that they can be located (with reference to any incident) at any time by local management so that resources can be effectively prioritised and aid directed at those most in need, and that

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48730000 - Security software package

- 72212730 - Security software development services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The British Council is looking for Risk Management System for Deployed Personnel, The selected system will assist the British Council in fulfilling its duty of care obligations to its staff and its strategic objectives. It should have both preventative and reactive capabilities, combining mass communications and a more targeted facility during incident and crisis management (i.e. assisting in the preservation of life, maintaining operational delivery, protecting assets and upholding the British Council's reputation). The system will ensure that relevant staff can be informed of an on-going incident in good time, and given appropriate directions as required, that all staff can be quickly accounted for at any time, that they can confirm their 'safe/in-need-of-assistance status at the touch of a button, that they can be located (with reference to any incident) at any time by local management so that resources can be effectively prioritised and aid directed at those most in need, and that they can summon aid to their location even when unsure of where they are. The system will be supported by a 24/7 Control Room that can geo-locate affected personnel and offer immediate advice, based on British Council supplied S.O.P.'s. More details about the requirement can be found in the Tender Documents and section 7 of the ITT document.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

The Contract will be awarded for 36 months with an option for extension of additional 24 months.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure
