Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply and Implementation of a Tanium Endpoint Management Solution

Reference number

PROC.08.0465

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority is seeking a partner to implement and deploy Tanium's cloud-based end point management solution across its infrastructure and software to provide real-time endpoint management, linear workflow chain architecture, automate operations from discovery to management, and resolve vulnerabilities that could be exploited.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKG3 - West Midlands

II.2.4) Description of the procurement

The Authority is seeking a partner to implement and deploy Tanium's cloud-based end point management solution across its infrastructure and software to provide real-time endpoint management, linear workflow chain architecture, automate operations from discovery to management, and resolve vulnerabilities that could be exploited.

The selected partner will be responsible for the deployment, configuration, and optimisation of Tanium's endpoint management platform across our infrastructure to enhance our organisation's security, visibility, and IT management capabilities, as well as educating and supporting all teams that will be utilising the solution. The partner will be committed to enabling UHB to reach its goals of maximising its cyber posture and meeting its contractual requirements and new challenges in an environment of teamwork, joint participation, flexibility, innovation, and open communications. In this spirit of partnership, UHB and its service provider will study the current ways of service delivery and operation to enhance current practices and support processes and systems. Such a partnership will allow UHB to reach higher levels of quality and service delivery for its patients and the care that it delivers to the wider population.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals
