Other type

Defence

I.5) Main activity

Other activity

DSTL

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

504902

II.1.2) Main CPV code

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)

II.1.3) Type of contract

Supplies

II.1.4) Short description

504902

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £504,902

II.2) Description

II.2.2) Additional CPV code(s)

- 51430000 - Installation services of laboratory equipment

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

Procurement, Delivery and Installation of LC QTOF

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Defence Science & Technology Laboratory (DSTL) intends to place a four month contract with Agilent Technologies LDA UK Ltd for the supply, delivery and set up of Benchtop Liquid Chromatography instrument with single quadrupole combined with a Time of Flight

mass spectrometer detector (LC-QTOF).

In accordance with the provisions of The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020 SI No. 2020/1319, this procurement falls to be regulated under the provisions of the Public Contracts Regulations 2015 as amended (in particular by SI 2020/1319). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate. It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (in accordance with the relevant legislation) is lawful in accordance with regulation 32(b)(ii) of the PCR 2015 because competition is absent for technical reasons.

The analytical Chemical and Biological Analysis and Attribution Capability (CBAAC). CBAAC is a pan-HMG sovereign capability delivered through DSTL. The capability utilises complex analytical techniques to identify and attribute chemical and biological agents, materials and weapons samples (collectively, Chemical, Biological Warfare agents), originating from within the UK and abroad, in support of HMG interests. In the event of requiring operational sample analysis, the Organisation of the Prohibition of Chemical Warfare (OPCW) would require rapid Analysis and Attribution, United Kingdom Accreditation Service (UKAS) methodology and processes, the laboratory standard, would be required for the analysis, quality control, review and issue of data. The LC-QTOF Instrument is required for UKAS accredited procedures that operate to the ISO17025 standard. The provision of the equipment from this particular vendor is required for scientific continuity purposes. To acquire a similar platform technology from a different vendor would make it impossible to compare back to previous legacy data sets which is often required as part of the quality system - demonstrating the robustness of technique – and is essential in order to maintain UKAS accreditation.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession

V.2.1) Date of conclusion of the contract

14 March 2022

V.2.2) Information about tenders

The contract has been awarded to a group of economic operators: No

V.2.3) Name and address of the contractor/concessionaire

Agilent Technologies LDA UK Ltd

Lakeside Cheadle Royal Business Park, Cheadle Cheshire SK8 3GR
